President's Corner by Doug Cashmore:

July is rapidly approaching and it is now time to start planning our 2021 National Rally. I did not receive any input regarding a spring rally so the board felt that it would be best to forgo any early rallies in hopes of generating excitement for the National Rally in July. We will be conducting the rally starting Tuesday July 20, 2021 with a welcome happy hour (or two) starting at 1700 hours. We will conclude the rally with our dinner on Sunday July 25, 2021 at 1700 hours. I will publish a preliminary plan of events in next month's newsletter.

I really need some help in getting this rally up and running. If you are planning on attending and would like to help the board out, please drop me a quick email. I have a number of tasks, be the first to call me to pick the one you like the best.

I know COVID has really put the dampener on all of our lives. Lanita and I have mothballed our RV for the first time ever and only travelled a couple of thousand miles in the last 12-14 months. This compared to 12,000 miles in 2019. It is really hard to get excited about anything right now BUT let's get excited and make 2021's MILWIT National Rally THE best rally EVER.

President MILWIT 2019 – 2021

Notes from the Vice President by

Regrettably, we also lost Mike Walker this past year and we are in urgent need of a Vice President for the remainder of this half of 2021. IAW our by-laws the officers are elected for a term of one year from August 1 – July 31. So we need someone to volunteer and help out until July 31, 2021. Please contact me if you are willing to help.

Notes from the Treasurer by Lanita Cashmore

Our treasury is doing well, mostly because of no money going out for club rallies. Our club currently holds \$3209.86 in the bank in Forest City. I have sent our membership list to the WIT club asking that they crosscheck to see if everyone's WIT club dues are up to date. If you have not paid your WIT club dues, please do so now.

We have had some expenditures to cover maintenance of our website and we will have expenses to cover our upcoming National Rally. We did not collect any dues last year but I must ask everyone to mail their dues to me this year to insure that we have funds to cover our expenses. I will have estimates on what our National Rally and GNR will be costing us in next months' newsletter.

If you need a replacement hat or patches, send me an [email](#) and we will work out the details to get it to you ASAP. Anyone interested in joining MILWIT should print off our [application](#) which can be found on our website MILWIT.net. Mail the completed form to the address, on the form, with a check for the required membership fees. Please email me when you have sent me snail mail so I will look out for your letter. We are often on the road and I do not want to miss your letters. Anyone who needs a replacement hat or patch send me an email and we can arrange for payment and shipping to your address.

Notes from the Secretary by Kim Korber:

MILWIT members are bonded together by our military affiliation regardless of branch of service or whether we RV full-time or part-time. MILWIT is YOUR club within the Winnebago family. New members are this organization's lifeblood and future. Please spread the word about membership in MILWIT throughout your travels.

MILWIT Web Site:

The MILWIT website MILWIT.net remains the main source of information for the members with the latest news and plans of the club. Please feel free to [email the webmaster](#) with any news you would like to share with other members. I am very interested in member's pictures both old and new to include in the website. Please share any experience with the many military campgrounds around the country. We would all benefit from knowledge of which bases have good and bad campgrounds visit when we travel.

Carmine Liscio:

Sadly, Carmine passed away on February 12, 2021. I sent everyone an email informing you of his passing. I received a card from Dorothy which tells about his life and passing. [In Loving Memory Carmine Liscio.](#)

I am sorry for having to send out three emails about Carmine's passing. The first two emails were blank. The program that I use to send each member the same message failed to include the text of the message the first two times I sent the email. What went wrong is unknown at the moment but, I am working with the company that wrote the application to correct the problem and prevent it from happening again.

WIT Club:

I am asking everyone to contact the WIT club and update their membership. Our bylaws and WIT bylaws require that you maintain a current membership with the WIT club to be a member of MILWIT.

Lanita and I had the chance to visit with Mike and Joy Atterbery last month. It was a fun afternoon with lots of conversation and a couple of bottles of wine. If you have met with other members in the last year share it with me and I will share with the members.
